MIRACLES ARE UP YOUR ALLEY!

If you're an ordinary Daly City citizen you probably don't envision yourself saving a soldier's life. You can't perform miracles!

But here is news that you CAN perform miracles. You, safe at home, going about your daily routine tasks, may be instrumental in giving a seriously injured lad on Guadalcanal a chance at life. How?

It only requires a visit to the local Red Cross, a twist of a tourniquet and the prick of a needle—little enough to pay for helping fan the breath of life back into the mutilated body of some soldier, sailor or marine.

According to Dr. Earl Taylor, of the Red Cross Blood Donor Service, millions of adult Americans, millions of fathers, mothers, sisters, and brothers of service men, going about with prayers in their hearts for the safety of their

Fire Chief Praises Auxiliary Firemen

Auxiliary volunteers of the Daly City Fire department, added to the department by the Civilian Defense Council when war broke out, were given high praise by Fire Chief A. P. Chesney, who described them as "a fine body of men any town could boast of."

For a year now, Chief Chesney and his regular officers have carefully watched the drills of the new volunteers, supervised by regular company officers, saw them learn to lay hose lines and combat incendiaries, and finally to organize their own auxiliary companies.

"The auxiliary firemen who voluntarily signed up for civilian defense are seldom heard of," Chief Chesney said, "but they

Policemen Crash Into Speeding Car

Two Daly City police officers narrowly escaped serious accident, early Tuesday morning, on Mission street while chasing a speeding car which failed three times to yield to the police car siren. They finally had to crash into the car to stop it.

Officers Roland Petrocchi and Albert Benassini gave chase to the machine, speeding south on Mission street, blowing the siren near the Theta avenue crossing. The driver slowed down, pulling to the curb, then started out again. When he failed to stop the second time Officer Petrocchi, driving the patrol car, crowded him into the curb, but to avoid an accident, stopped, and the patrol car spun around in a complete turn.

When the speeder tried to get away again, Officer Petrocchi backed the police car into the right front fender to stop it.

Driver of the machine, Robert Quigley, San Francisco, told police that Santino Bionda, owner of the car and a passenger at the time, instructed him to drive on,

Ferguson Receives Two County Appointments

Principal James Ferguson, of Jefferson Union high school, recently received two important appointments in San Mateo county. He received a certified letter from W. H. Augustus, county clerk, Tuesday, January 12, announcing he had been appointed a member of the Civil Service commission of the County of San Mateo.

He was appointed to become a member by the board of supervisors. The commission's first meeting was held, yesterday, at 2 p. m. at the court house, Redwood City. The meeting was called to appoint a chairman and to draw lots to see who would serve for two and three year terms.

Purpose of the commission is to put into effect civil service

Delay In Printing, Other Preliminary Preparations Cited As Reasons; OPA Announces Maximum Allowance Per Person

Three Grammar Schools To Handle Distribution

New ration books for use in the point rationing of canned foods will probably be issued in the Daly City grammar schools during the last week in February or the first week in March, according to latest information from the OPA.

Delay in printing and other preliminary preparations accounted for setting back the dates of both the issuance of books and the date when the point rationing system will take effect, War Price and Rationing Board No. 31-3 announced, today. The OPA continues to withhold information on the dates to eliminate confusion, it was announced. Most important news during the past week was the announcement of the maximum allowance of five cans per person of the rationed foods before new ration books are issued.

Five cans of assorted vegetables, or fruit juices will be allowed each person in the family when rationing goes into effect in March. The War Price and Ra-

tioning board emphasized, however, that this does not mean you can have five cans of vegetables, five cans of fruit, and five cans of fruit juices, but, rather, five cans altogether. This is the allotment for each member of the family unit when you apply for your rationing book in the schools. The freeze does not include baby foods.

Further consumers' food ration information, which, up until last week, has been scarcer than the food itself, was announced when the OPA set up a tentative schedule for deducting points from ration books of families who have more canned foods than the allotment. Eight points will be deducted for each can over the five-can-per-person limit. But the deductions will be made on only half the monthly point allowance, thus allowing families to still be able to buy enough variety of food necessary for health requirements.

In the event that all surplus cans are not accounted for in the first month's deductions, then the points are taken from half of the next month's allowance, and so

on, until deductions have been made for all overstock.

In Daly City, the new ration books will be issued at the following three grammar schools: Crocker school, 649 Bellevue avenue; Woodrow Wilson primary, 43 Miriam street; and Jefferson school, 14 Alemany street. R. L. Crane jr., superintendent, said that Daly City schools will give out the books over a three-day period.

Mrs. C. F. Day, executive secretary of the rationing board, urged all consumers here to get their books at the schools during the given period to avoid delay in getting them at the rationing board office afterwards.

Required at the time books are given out will be the first ration book, used for coffee and sugar. Since the registrars at the schools must have this first book, the OPA gave an extension of time to consumers who are not in possession of the "sugar book" to get it. They may get war ration Book No. 1 by applying at the rationing board office, 473 Grande avenue, South San Francisco not later than February 15.

To Give Draftees Choice Of Branch

Details Of System Not Received Here As Yet

When Daly City draftees go before Daly City Draft Board No. 103, they will be given their choice of induction into the army, navy, marines, or coast guard, PROVIDED the monthly quota has not already been filled, according to announcements from the selective service office in Washington.

However, when this new set-up for induction into the armed forces will get under way is still indefinite, according to the local draft headquarters.

Commenting on the new overall induction, Dr. J. C. McGovern, local chairman, said:

"Our board has not received any instructions yet on placing inductees in the army, navy, marines, or coast guard, though I understand that system will soon be adopted for drafting men into military forces. We have no details on it yet."

Men will be given their choice of which service they wish to join when they are drafted so long as the monthly quota for that service has not been filled. In case it has been filled, then they will be given a chance at their second choice, and so on, Dr. McGovern explained.

Physical examinations will be more standardized in all services

Youngsters Ask Better Cooperation

With the start of a brand new school semester, Monday, Daly City's official tin collectors, the grammar school pupils in the Jefferson district, asked local housewives for 100 per cent cooperation as they bolstered their drive to collect all the tin cans in the community for Uncle Sam's war plants.

To offset the serious national shortage of tin and other metals, the tin salvage campaign in this community is designed to collect every tin can from every kitchen in Daly City and turn it over to the government where it will be transformed into war ordinance for our fighting forces.

The cans are collected weekly from local kitchens by the school children. There is at least one pupil assigned to every block. The housewife's part in the campaign is to see that every can has been washed, and flattened. The latter is asked so that more cans may be transported in one carload, with no space wasted.

Women Needed To Make Surgical Dressings

Ladies—have you an hour or two a week that you would like to donate to help save the lives of our fighting men at home and overseas? An urgent appeal has been made for more workers by Mrs. Ruth Morris, chairman of the surgical dressing department, of the Daly City unit, San Mateo County chapter, American Red Cross.

Mrs. Morris announced that the thousands and thousands of surgical dressings and sponges needed so desperately by the wounded men, have been unable to be delivered to the Army depot due to the lack of workers.

"Women, many of them, to make bandages at the Red Cross work room, Theatre hall, are needed at once," said Mrs. Morris, "only in this way will we be able to meet the emergency."

Women who are already working on the dressings should not be expected to drive themselves to the point of hurrying, therefore, bungling and lowering the present standard of work," she pointed out.

Gauze for over 90,000 dressings has been received by the San Mateo County headquarters, with material for 110,000 more to be delivered immediately.

The only equipment required for workers is a freshly laundered

You'll Be Sorry If You Don't Pay Up Today

Motor vehicle owners of Daly City!

Today, February 4, is the last day upon which you may file applications for your 1943 license plates without paying heavy penalties.

There are two ways to file applications: one is to take your 1942 registration card and fee to the nearest branch of the Department of Motor Vehicles; the other is to apply by mail, forwarding your 1942 registration card and money order or cashier's check for the amount of your fee.

Applications may be sent by mail to branch offices of the department in any of the following points: San Diego, Long Beach, Los Angeles, Fresno, Oakland, San Francisco and Sacramento. Such applications will be honored without penalties if they show a postmark earlier than midnight of February 4.

If you mail your application be sure that the postal authorities get it in time to put a February 4 postmark on it.

This is the last call! It is to your interest to act now and avoid penalties!

Business District Tonight's "Target"

Second In Series Of Air Raid Drills

Targets for "bombing attacks" in Daly City, tonight will be the Mission street business district, the west side of Daly City as far south as Westlake avenue, and two sectors east of Mission street, as civilian defense forces are called out in the second of a series of air raid drills ordered for local volunteers.

Tonight's drill will begin at 7:30 p. m., and all volunteers were instructed to be ready for the call. The test will involve volunteers in sectors 11 to 23. However, Director Arthur J. Bodien added that it will not include sectors 21 and 22. These sectors, located just south of and including the area near Jefferson Union high school, will be drilled next week with sectors 23 to 26.

Victory Book Drive Continues

Have you given a book to the men in the services yet? Remember, the success of the 1943 Victory Book Campaign depends on you—and you. There will never be a way in which you can give so many men so much pleasure for so little. A book is read not by one soldier or sailor, but by many, at camp libraries or USO centers in this country and at overseas bases. The book you give may be just the right selection for some lad with an hour or two's leisure and no way to spend it unless he has a book to read.

Mrs. Jean O'Rourke, head librarian at the Daly City public library, 6351 Mission street, announces that the 1943 drive ends March 5. A large box is available in which to place your donated books. They will be carefully boxed and sent on to camp libraries at once.

Mrs. O'Rourke stressed the importance of giving only books in good condition and of a nature that would interest young men of 19 and 20 and up. Novels, collections of cartoons, westerns, and up-to-date technical books are especially in demand.

Library hours are from 1 to 5 p. m. and from 6:30 to 9 p. m. week days, and from 1 to 5 p. m. Saturdays.

Remember—give a book you'd like to read yourself. Give a book you're proud of giving!

NEW POSTOFFICE SETUP FOR COLMA

Letters posted from Daly City to Colma (or vice versa) now only require 2c postage, where, believe it or not, the post office department used to require the regular 3c out-of-town postage.

The Daly City branch of the San Francisco post office department announced that, effective Monday, the Colma post office is now a branch of the San Francisco division.

Using post office boxes in the past, Colma residents will now be served with two carriers daily.

Auxiliary Police Officer Assaulted

Charles Russell McEvoy, San Francisco, was given a stiff sentence of 90 days in the county jail, Monday, by Judge William J. Sweeney in Daly City police court, following an assault on Arch Bigazzi, auxiliary police officer, who tried to stop a fight between McEvoy and an unnamed woman at Mission and Hillcrest drive, shortly after midnight Saturday.

Bigazzi was struck in the face by McEvoy, and was taken to Villa hospital with head and face injuries. The auxiliary officer was on patrol at the top of the hill when the fight started soon after most of the taverns had closed. Police intervened, broke up the fight, and whisked McEvoy off to jail on charges of disturbing the peace.

In searching McEvoy, police found that he had a purse belonging to Mrs. Kay Burford, 10 Beppler street. No burglary charges were pressed though, and police said that the purse-snatching was not implicated in Saturday night's brawl.

When brought before Judge Sweeney, McEvoy was cited as a trouble-maker in Daly City with a previous record, still owing fines and damage to property in Pet-

Grammar Pupils Receive Diplomas

In an impressive commencement ceremony before a large crowd of parents, teachers and friends, 62 graduates of three grammar schools in the Jefferson district received diplomas on successful completion of studies, Sunday afternoon, at the Jefferson high school auditorium.

The graduating class from Daly City grammar schools included 23 pupils from Woodrow Wilson elementary; twenty from Jefferson, and nineteen from Crocker. Diplomas were presented by R. L. Crane jr., district superintendent.

In addition to the diplomas, numerous individual awards were presented by Daly City Post No. 410, American Legion; Daly City Unit No. 410, American Legion Auxiliary; Woodrow Wilson PTA, Colma PTA, and Crocker PTA.

Based on all-around scholarship and citizenship, bronze medals were awarded to the outstanding boy and girl in each school, representing the Legion's awards.

Emil Pahlka, commander of the local post, presented the medals to the following pupils: Lorraine Sanders and Arthur Schulman, Woodrow; Mary Faretti and Nathan Agresti, Jefferson; Bessie Louis and Richard Gardella, Crocker.

Lola Casentini, as the outstanding scholar in the district, was presented the district scholarship award by Mrs. Ann Welch, president of the local Legion Auxiliary unit. Miss Casentini was graduated from Jefferson school.

Awards for the highest scholar in each school were given by the respective PTA groups. Following were the winners of the PTA awards: Esther Morgan, Woodrow; Angelina Ottonello, Jefferson;

Thrill-Packed Film Opens At Daly City

**"Desperate Journey"
Cast Headed By Flynn**

Tonight's new picture at the Daly City theatre is "Desperate Journey," starring Errol Flynn and Ronald Reagan in a story that fully lives up to its exciting title. The thrill-packed film tells about the extraordinary adventures of five members of a British Hudson bomber who are shot down while on a bombing mission over Germany.

Other members of the crew who find themselves prisoners of the Nazis along with Flynn and Reagan are Alan Hale, Arthur Kennedy and Ronald Sinclair. Questioned in detail by a Nazi Intelligence officer, played by Raymond Massey, the five fugitive Englishmen escape from the prison camp, after Ronald Reagan puts Massey to sleep with a hard right to the jaw.

Slowly, and travelling only by night, they make their desperate journey across Germany toward the Holland border. They get a break by overpowering some Nazi guards and taking their uniforms. Now, disguised as German soldiers, they stand a good chance of being shot as spies, but they have also increased their possibilities of escape.

Luck, still with them, they manage to board a hospital train bound for Berlin, only to be kicked off as the train entered the suburbs by some officer who was later severely reprimanded for allowing the English to get away. By this time, all Germany was on the lookout for them. It was a mass man-hunt.

One night, shortly after leaving the train, Flynn leads the men on a desperate mission. They enter and set fire to a factory that manufactures incendiary bombs. While leaving the inferno, Ronald Sinclair is shot and seriously wounded. Flynn, whose knowledge of German already has gotten them out of many tight places, meets a young German girl, played by Nancy Coleman, who takes them to a doctor, and tells them that she is strongly anti-Nazi and will do anything to help defeat Hitlerism. At the doctor's, a woman patient suspects them and calls the Gestapo.

After leading the Gestapo a merry chase across the rest of Germany and a good part of Holland, they steal a reconditioned British bomber which the Germans were going to use in a sneak raid on London. It is a desperate fight against overwhelming odds but the intrepid Britishers are successful and make their getaway.

After they are safe over the Channel, Flynn radios to squadron headquarters that they are coming in, mission completed!

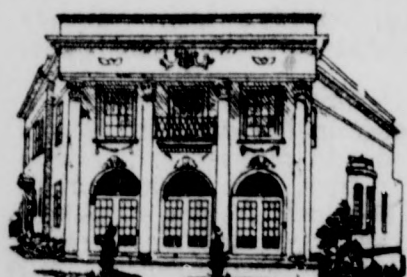

Court St. Mary Holds Public Whist Tonight

Members of Court St. Mary No. 1155, C. D. A., will meet for a short business session, this evening, at 7:30 p. m. At the close of their meeting, a whist game will be held. Playing will begin at 8:30 p. m. at Masonic hall.

In charge of the card playing will be Mrs. Grace Bacigalupi and Mrs. Josephine Reardon. The ladies announce that many attractive awards have been procured for this event. The public is cordially invited to attend.

The church is located at Hanover street and Evergreen avenue.

Red Cross Worker Dies

Members of Daly City Chapter, American Red Cross, recently mourned the loss of one of their most energetic workers, Mrs. Susan L. Dusenberry, 61. She was well known to all Daly City where she had given so much of her spare time in working for the Red Cross.

She was a resident of 605 Crocker avenue prior to her death, Monday, January 25, at St. Mary's hospital. Her death was the climax to a short illness.

She is survived by two daughters, Mrs. Helen Blydenstein and Mrs. Maude Freedman.

Services were held at 1:30 p. m., Thursday, from the W. C. Lasswell company chapel. Cremation was at Olivet Memorial park, Colma.

Educators To Honor Roy Cloud, Monday

Roy Cloud, county superintendent of schools for nearly a score of years and state executive secretary of the California Teachers' association for the past 17 years will be guest of honor at a dinner to be held at Sequoia Union high school, next Monday evening.

San Mateo County Teachers' association and County Superintendent of Schools Pansy Jewett Abbott are sponsoring the testimonial which will be attended by approximately two hundred educators from every section of the county.

A varied program will be presented which will include music, and a number of three minute speeches by school people who have known Cloud over a period of years.

The Jefferson district will be represented by the following: R. L. Crane jr., James Ferguson, Margaret P. Brown, Effie Andersen, Edna Smith, Clive M. Saiz, Marjorie Reandeau, Marie Traynor.

Reservations for the dinner are in charge of Mrs. Reandeau of the local high school, who is treasurer of the association.

BODIEN ILL

Arthur J. Bodien, superintendent of the Daly City Water department, returned to work, Monday, after being confined to bed for five days with illness.

Eagles To Observe 34th Anniversary

Colma Vista Grande Aerie No. 1848, F. O. E., will observe its thirty-fourth anniversary, Thursday evening, February 18, with special ceremonies. All members are urged to attend. The event will open at 8:15 p. m. A class of candidates will be initiated and eleven members will receive their 20-year pins. Fred Klingler, assisted by the past presidents, will be in charge.

At the anniversary observance, the aerie's service board and flag will be dedicated, as well as a picture of Joe Leveroni, member who lost his life in the service of his country.

At the last regular meeting of the aerie, Thursday, January 28, President Melford Battye appointed Glenn Wilkes, chaplain, and William Brush, conductor. It was announced that the aerie had purchased ten more \$100 war bonds, bringing the total of bonds purchased by the aerie to 86 \$100 bonds.

Matoaka Council Installs New Officers

New officers to serve Matoaka Council No. 18, Degree of Pocahontas of the Improved Order of Red Men, were installed, Wednesday evening, January 13. Deputy Katherine Keating, assisted by a number of great chiefs and members from local councils, acted as installing officer.

Those installed include: Helene Poissant, pocahontas; Audrey Abbott, wenonah; Lillian Bregante, prophetess; Ray Zanetti powhatan; Ellen Bregante, trustee; Hazel Haugaard and Mary D. Hamilton, scouts; Thelma Satariano and Doris Fink, runners; Helen Seith and Gladys Peterson, aides; Patricia Schaefer and Laverne Nichols, councillors; Helen Nichols and Virginia Rucker, guards; P. Bernard, Joseph Satariano, Anthony Satariano and Michael Siotto, warriors.

The council reports that they have purchased \$2,000 in War Bonds. Plans are underway to add still more to this amount. The group also plans to continue the sale of stamps at the weekly meetings.

Teachers Association Meets In San Francisco

The Bay section, California Teachers' association, representing the 10,000 teachers in a dozen Bay area counties held its first meeting of 1943, last Saturday from 10 a. m. until 3:30 p. m. in the Sir Francis Drake hotel, San Francisco. Clive M. Saiz is the Northern San Mateo County representative.

Legislative matters pertaining to the schools were discussed at length. The California Teachers' association is sponsoring the bill which aims to increase the state support of elementary schools from \$60 to \$80 per year per pupil in average daily attendance. A bill is also being sponsored making mandatory a five day sick leave yearly with a five year cumulative phase. The association is supporting a measure which will not only stabilize the present Retirement system but will increase the amount to be paid teachers upon retirement.

Executive Secretary Roy W. Cloud, of the California Teachers' association praised Governor Warren's interest in education and stated that the governor had attended a meeting of the committee dealing with educational measures and familiarized himself with the various parts of the measures.

Needs Assistance To Organize Block Mothers In Daly City

Would you like to do your bit in helping to keep down panic in the event of an air raid? If you would, you are just the person Mrs. Adele Hanelt, 328 Winchester street, is looking for.

Mrs. Hanelt is in charge of organizing block mothers for Daly City. This work is under the sponsorship of the P. T. A., in conjunction with the Civilian Defense.

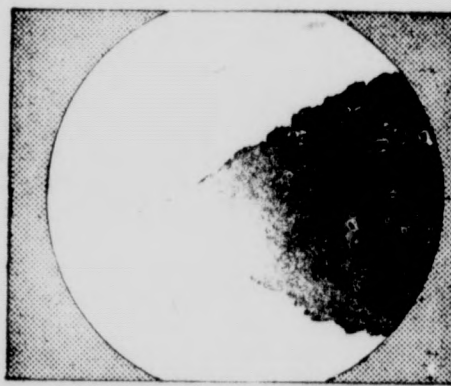

Duty of a block mother is the housing of children whose parents might not be home during an air raid. Their homes will be a place of refuge for the children of the block, where youngsters can go and be protected.

This group is just being organized and the need for women to help in this important undertaking is urgent. If you are interested in helping your city and protecting its children, call Mrs. Hanelt, DElaware 7941.

Mrs. Hanelt has been doing a fine job of "doing her bit" in the war effort. Besides her many hours of volunteer service as a senior day warden and various other war activities, she has a home and two children to care for.

Windows On New Worlds

Hair-splitting is no longer a joke with the new electron microscope, which makes visible a whole world that has previously been too small for scientists to study.

1. Using particles of electricity instead of light, the instrument makes a mosquito's stinger 1/1000 the diameter of a hair, look like this.

2. Crystals, dust particles, disease-producing viruses can be enlarged to a million times to examine their nature and structure.

3. Portable, operating from ordinary power lines, it is expected to speed war research in laboratories of colleges and war plants.

4. After the war, it may be useful in many fields—for example, in searching for the cause of such diseases as the common cold.

Indians of
(Rhythm)

Tryouts for new members of the Indians of Rhythm are being held, all this week, in the music room, according to an announcement by Howard Miguel, director. He announced he hopes to add four or five members to his band.

First assembly for the new semester was held, Monday afternoon, in the school auditorium. The assembly was for the benefit of the new freshmen.

Singers of the afternoon were

Lillian Altman, Daisy Yonan and Pat Marraco. The band was featured in several popular tunes.

Assemblies

Members of the student body enjoyed a sound colored film of an airplane trip to Guatemala, Tuesday. The film was presented by the Pan-American airways.

First speaker on the assembly programs for the new term will be Edward Tkach, aviation cadet. He is one of the few Americans who fought with the Franco forces in Spain, and was also in France at the time of the invasion. He will address the students, February 9.

P.T.A. NEWS

Crocker Unit

The graduating class of Crocker school was entertained at a luncheon, Wednesday, January 27, by Crocker P. T. A. The affair was held during the lunch hour in the school lunch room.

Nineteen graduates and their teacher, Miss Marjorie Tobias, principal of Crocker school, were present. They were served by Mrs. Ann Eason, chairman, and her committee, Mrs. Sarah Nordgren and Mrs. Mildred Seiler. Other mothers assisting were: Mrs. M. Wakefield and Mrs. Edwards.

The guests were served chicken pie, salad, milk, ice cream and homemade cake.

Mothers of five graduates, Mrs. Wakefield, Mrs. C. Haller, Mrs. J. Piggott, Mrs. W. Wallace, and Mrs. C. DeMartini, made and donated the cakes.

At the close of the luncheon the class presented Miss Tobias with a beautiful flower vase and bouquet of flowers. This was the graduates' parting gift to their teacher. Dolores Wakefield and Bessie Louis made the presentation.

Clarence Haller thanked the mothers and members of the P. T. A. on behalf of his class, for the lovely luncheon.

Mrs. Seiler, president of the local unit, presented the scholarship award to Dolores Wakefield, Sunday afternoon at the graduation. A check was given as this semester's prize. Mrs. Seiler stated the reason for giving money this year was to enable the student to make her own selection of either ring or pin.

Mrs. Margaret Holzworth, life membership chairman, held another of her famous luncheons, Thursday, January 28. The event was held at her home, 198 Acton street, for the benefit of the life membership fund.

Mrs. Holzworth's committee, for the term, is: Mrs. Eason, Mrs. Olga Bordson, Mrs. Ann Anderson, Mrs. Vivian Pahlka, Mrs. Anne Ingersoll, Mrs. Seiler and Mrs. Rasor.

Seventeen members and friends and the three mascots, Larry and Danny Caratti and Sonny Ingersoll, attended.

At the end of the turkey luncheon, Mrs. Holzworth brought in a huge birthday cake in honor of Mrs. Bordson.

Due to the Founders Day meeting of General Pershing P. T. A., the regular sewing meeting was cancelled. Many of Crocker's members attended the affair.

Mrs. Bordson, junior past president, has been put in charge of the Founders Day meeting, Tuesday, February 9. The meeting will convene at 1:15 p. m. and all members and friends are invited.

Assisting Mrs. Bordson with the afternoon are: Mrs. Anderson, Mrs. Pahlka, and Mrs. Holzworth. The committee announces lovely refreshments have been planned.

Main event on the Founders Day program will be the presentation of the life membership awards.

Woodrow Wilson Unit

Mrs. Ida Hanley, president of Woodrow Wilson P. T. A., today, expressed her appreciation to all the many friends of the unit who helped to make their rummage and food sale a success. Thanks were also extended to the many members who donated food to the affair.

The annual event was held, Thursday and Friday, from 10 a. m. to 4 p. m. at the home of Mrs. Emma Sorg, 115 Knowles avenue.

The sale was the biggest one the unit has had for several years, according to a report given by Mrs. Hanley. Proceeds from the affair go to the life membership and general funds.

Helping Mrs. Sorg with the arrangements were Mrs. Julia Peterson, Mrs. Hilda Heagney, Mrs. Martha Linden, Mrs. Hanley, and other ladies.

A report given on the graduation party, Thursday, also told of success. The unit served 23 graduates at 3 p. m. with sandwiches, cake and ice cream, after which games and dancing were enjoyed.

Members of the board were asked to note that their next meeting, Tuesday, February 9, will be a board and sewing meeting at the home of Mrs. Martha Linden, 467 Niantic street.

A dessert luncheon will be served by the hostess at 12:30 p. m. All members are cordially invited to attend.

Main order of business for the executive group will be the completing of plans for the regular monthly whist. Date for the affair has already been set for Thursday, February 25.

Mrs. Hanley has been chosen to act as hostess of the affair. All players are invited to her home, 43 Woodrow street.

Members of the local unit will hold a joint meeting with Jefferson Union High School P. T. A., Tuesday, February 16. The session is being held to celebrate Founders Day.

The meeting will convene at 7:30 p. m. at the school auditorium. All members and friends are cordially invited to attend.

Women Needed To Make Surgical Dressings

(Continued from Page 1) wash dress and a covering for the hair. Sanitation is the keynote in this type of work.

"We are waiting at the Daly City work rooms for new recruits to make dressings. Let it not be said of the volunteer workers—'They volunteered too late,'" concluded the chairman.

Assisting Mrs. Morris with the vital work are: Mrs. Vivian Pahlka, Mrs. Clara Poket and Mrs. Everett Heagney. Hours are from 10 a. m. to 4 p. m. Wednesdays and Fridays.

Volunteers are also needed in the sewing room of the local chapter. This announcement came from Mrs. Julia V. Jordan, chairman of production. All ladies who are interested in sewing for the Red Cross are invited to attend this meeting, Wednesdays and Fridays from 10 a. m. to 4 p. m.

GRADUATION

(Continued from Page 1)

Dolores Wakefield, Crocker. Presenting these awards were the following PTA presidents: Mrs. Ida Hanley, Woodrow; Mrs. Virginia Lagomarsino, Colma; and Mrs. Mildred Seiler, Crocker.

Program of the afternoon opened with a selection by the orchestra, followed by the advance to the colors by the American Legion post, a pledge to the flag, and the singing of the "Star Spangled Banner" by the audience.

The Legion and Legion auxiliary awards were then presented. The glee club followed by singing "This Is My Country."

PTA awards to the winners in each school were next, and a special number, "Freedom is the U. S. A." was presented by the graduating class.

Superintendent Crane presented the diplomas, and the exercises were concluded with the ensemble singing, "Our Land America."

Woodrow graduates are as follows: Charlotte Bell, Paul Cavallaro, Mary Curtis, Margaret Finsterbusch, Howard Fletcher, Irene Gabriellini, Edward Gigli, Gerald Gigli, Robert Grimes, Betty Lou Lister, Marian Lufrano, Helen Moore, Esther Morgan, Margaret Morgan, Robert Plyer, Richard Reynoso, Lorraine Sanders, Richard Selmi, Joseph Silva, Arthur Shulman, Robert Thimis, Richard Walker, and Corinne Watts.

Jefferson graduates are: Nathan Agresti, Harold Bocci, Chester Bogart, Marilyn Edith Boyce, Lolla Lillian Casentini, Jack Ronald Coon, Shirley Lorraine Devlin, Mary Ida Faretti, Irene Anita Garibaldi, Theresa Gianni, Albert Gunn, Mary Luciani, Evo Angelo Martini, Edward Charles Martinelli, Gino Massoni, Roberta Fay McDaniel, Angelina Ottonello, Ben Parodi, Walter Simpson, and Irene Vallarino.

Crocker graduates are: Gertude Andresen, Charles John De Martini, Richard Gordon Gardella, Robert George Gardella, Clarence C. Haller, Frank Heiss, Robert Gerd Kahle, Gerald Kirby, Bessie Louis, Donald L. Mehan, Leonard James Nordgren, William Pape, June Violet Peterson, James Watson Piggott jr., Alma Marie Pieretti, Shirley Jean Remmer, Esther A. Romani, Dolores Lenora Wakefield, and Jack J. Wallace.

Sea Scouts Name Group, "The Raven"

"The Raven" is the name officially adopted by the newly organized Sea Scout group, recently started by the Boy Scouts of Troop No. 101.

Frank Coughlin has been chosen to act as skipper. Charter members include: Donald Winters, James Coughlin, Wally Coughlin, Robert Rode, Stanley Parmisano, Robert Rogers, Joe Collins, and Gerald Roots.

Crew leader for the ship is Parmisano. James Coughlin will act as yeoman and temporary mate.

The boys meet every Wednesday evening at 7:30 p. m. at the home of their skipper, 443 Irvington street.

Business District Tonight's "Target"

(Continued from Page 1)

Daly City Fire department will again plan the incidents for tonight's volunteers. All services organized will "roll." However, R. L. Crane jr., Daly City First Aid and Ambulance chief, reports that first aid squads in these particular sectors are "lamentably short of volunteers," many "squads" with only one worker. Also ambulance drivers are badly needed.

When the first ten sectors were tested in the Crocker tract, last week, reports were favorable, and it was indicated that the new telephone system of each dispatcher sending in his own service was the answer to the Civilian Defense Council's troubles. Nine incidents were completed in 30 minutes time.

The incidents included straight fires, explosions and poison gas, all to residences. Air raid wardens were supposed to act as casualties for first aid squads.

At the control center, Sundstrom dispatched fire apparatus to scenes of fires. Auxiliary police were sent out by Sergeant W. W. Sunderland. In charge of dispatching emergency medical units, first aid squads, and ambulances was Crane. Edmund Cavanaugh spotted the incidents on the control center map, while Chief Air Raid Warden Harry Mellicker set up the services already dispatched on the chart. Incidents were recorded by Hugh Smith jr. In the absence of Director Bodien because of illness, Elmer Kennedy took charge of utilities.

Ferguson Receives Two County Appointments

(Continued from Page 1)

Second appointment received, Friday, January 29, was a letter from the San Mateo Preventorium Board announcing that Ferguson was a new member of the group. Part of the letter read as follows: "At the last regular meeting of the San Mateo Preventorium board, you were unanimously elected to become a member of the board."

Principal Ferguson will be the first man to represent Daly City on the board.

DRAFT

(Continued from Page 1)

to allow an even chance for all men to get into their favorite service. For example, men who are qualified for army duty will have a better chance of getting into the marine corps if the latter is their choice. "Physicals" for the marines have always been reputedly stiffer than other services.

"However, it must be remembered," Dr. McGovern added, "that these quotas must be filled in all services."

Monday was the deadline for registrants between 18 and 45 years of age to carry both their registration cards and their classification cards with them at all times. In addition an order, this week, lengthened the age limits involved. Now all men up to 65 years of age must carry their registration card (D. S. S. Form 2) and their classification card (D. S. S. Form 57).

REMEMBER NATURAL GAS IS A WAR MATERIAL • USE IT WISELY

How to Save Money Save Heat Save Fuel

The saving of Natural Gas fuel is very important today. War industries going full blast are using an increasing amount of this fuel. It takes a huge amount of Natural Gas to heat homes, to cook and to heat water. There will be enough if each user will save fuel by eliminating waste heat.

Here Are Ten Heat-Saving Suggestions:

1. Check Heat Leaks at Windows. If there is a stream of cold air leaking through or around a window, plug that leak. As temporary weather stripping insert folded wrapping paper or newspaper between the window sash and window frame.
2. Close Bedroom Door at Night. If you open bedroom windows at night keep the bedroom door closed. Place a rug against the bottom of the door. There is no need to chill the rest of the house during sleeping hours.
3. Close Fireplace Damper. If you have a furnace and fireplace, close the damper when the fireplace is not in use. More furnace heat is sucked up a chimney than is produced by a grate fire.
4. Close Garage Doors Under House. If your garage is under the house keep garage doors closed. Open garages scoop in cold air and chill floors unnecessarily.
5. Overheating your House is NOT Healthful. Every degree of heat in your house over 65 degrees uses up from 2% to 6% more fuel. Keep comfortable, but do not overheat your rooms.
6. Do Not Use your Range as a Heater. Using a range oven as a heater is inefficient and shortens the range's life. Use your range for its one important job—cooking. Remember that these days a range may be hard to replace.
7. When the Sun Comes Out—Turn out your Heater. It is a good rule to keep lower heating temperature during the day when you are active about the house. Use no heat when the sun shines and outside temperature is 65 degrees.
8. Shut Off Unused Rooms. Turn off the heat in unused rooms and close the doors and you will have more heat for the other rooms.
9. Open and Close Outside Doors Promptly. A lot of cold air rushes in when outside doors are opened. Warn the children particularly about this. Do not stand and talk in an open door.
10. Keep Window Locks Fastened Tightly. Window catches, especially on French windows, work loose. Fasten these catches down hard. This forces the sash against the window frame and checks incoming draft.

Mrs. Twisten Hostess To Royal Neighbors

Mrs. Emilie Twisten, 306 Knowles avenue, was hostess to members of the sewing club of Vista Grande Camp No. 6035, Royal Neighbors of America, Tuesday, January 26.

The ladies met at 8 p. m. Following the meeting, refreshments and card playing were enjoyed. Assisting Mrs. Twisten with the evening was Mrs. Mattie Putnam, co-hostess.

Those present included: Mrs. Clarise Scott, Mrs. Marie Thompson, Mrs. Anna Romer, Mrs. Agnes Wood, Mrs. Estelle Peterson, Mrs. Mary Sernack, Mrs. Gertrude Gehringer, Mrs. Grace Coolish, Mrs. Johanna Hedvall, Mrs. Lucy Nelson, Mrs. Lillie Parker, Mrs. Lulu Huggard, Mrs. Cinderella Weller and the hostesses, Mrs. Putnam and Mrs. Twisten.

Next sewing session will be held Tuesday, February 9, at the home of Mrs. Anna Smith, 501 Templeton avenue. All ladies are urged to be present at 8 p. m.

Regular business meeting of the local camp is scheduled for tomorrow evening, 8 p. m. at Eagles hall.

WINS YLI PRIZE

Mrs. Velma Lompa won the attendance prize at the last regular meeting of Emydian Institute No. 154, Y. L. I., Friday, January 22.

An officers' meeting was held, Thursday evening, January 28. The group met at the home of Mrs. Lenore Varni.

A report was given on the Study club by Mrs. Imelda Laramie. She announced a meeting would be held at her home, Wednesday, February 10. All members are asked to note the date on their calendars and to be present if possible.

A district meeting is scheduled for Monday evening, February 15, at Belmont. Those to represent the local institute will be Miss Rosemary Flanagan, past president; Mrs. Varni, president; Mrs. Laramie, first vice-president.

A salvage drive for religious articles will be made in the near future, according to an announcement by Mrs. Inez Micheli. Magazines of all types and catholic literature will also be collected.

All members are asked to turn in any articles they can, and these will be forwarded to boys in the armed services.

P G & E To Reduce Rates Again, Feb. 15

Natural gas rates will be reduced again, effective February 15, throughout the territory served by Pacific Gas and Electric company. Users will save \$1,450,000 a year on the basis of the company's current business.

Rates are being lowered by the utility despite substantial increases in operating costs and taxes and in sharp contrast to the rising trend of other commodity prices.

This is the second gas rate reduction placed in effect by the company within the past year and the seventh major rate cut since the introduction of natural gas service in 1929-30. When the change was made from manufactured to natural gas in those years, rate payers were benefited by an annual saving of \$8,139,000 in their bills because of the higher

heat value of natural gas.

The lower rates, to be made effective on all meter readings on and after February 15, were fixed after an exhaustive study of the natural gas rate structure by the California State Railroad commission and P. G. and E. engineers. The new schedules represent a re-classification of city, suburban and rural areas, based chiefly on the number of customers served and the density of customers in relation to investment required to provide the service. Population, heat value of natural gas supplied, earnings, and other rate making factors also were recognized in determining the amount of reductions.

Because of these factors, the percentage reduction is not the

same in all cities and communities but varies, being generally greatest for those communities where rates were relatively high. The total reduction of \$1,450,000 represents five per cent of the company's annual gas revenue from all residential and commercial customers.

That "dial tone," a steady hum, is the signal that the equipment is ready to receive a call. It corresponds to an operator's "Number, please?"

Usually the dial tone is heard almost instantly when the receiver is lifted. But if the central office equipment is operating at more than capacity, there may be a few seconds' wait before it is heard.

When you dial before hearing the tone, you prevent the equipment from getting you your number. You also prevent it from completing calls for other users.

Waiting for the dial tone helps the service to serve all.

Ice Skaters Prepare For Coast Competitions

Members of San Francisco's two major ice skating organizations, who have been practicing all winter in preparation for the big event, are now putting the finishing touches on their figures,

"edges" and exhibitions in anticipation of the Pacific Coast competitions at Berkeley, February 19-20.

The Skate and Ski Intermediates, which is a group of youthful skaters active in figure skating competition, will have a representation of more than twenty skat-

ers in the various classes. This group is under the direction of Len Fogassey, Winterland head professional, who has coached many of the contestants who have won skating honors in past competitions.

Skaters entering the competition under the banner of Skate

and Ski club from the adult division will include Margaret Field, 1942 Pacific Coast senior pair champion, and James Lohead Jr., who won the Junior Men's title in both the Pacific Coast and California State Figure Skating championships, last year.

The San Francisco Figure Skating club, also with headquarters at Winterland, whose members have been active in taking the qualifying tests in their school figures in preparation for the Pacific Coast events, will also be well represented.

Soups your whole Family will enjoy

It's high time for those hearty, satisfying meal-in-themselves soups to stage a comeback, for they're the kind of offerings that do a nourishing wartime job. Simple though they are, they can offer everything in the way of good eating. And it's just the right time of year to let them do delightfully appetizing things to your menu.

BRING BACK THE SOUP POT—Remember the soup pot that simmered continuously on the back of Grandmother's stove? Every bone, bit of meat trimming, leftover meat, and drippings went into the pot to make a rich stock for a variety of substantial soups. The idea is just as good as it ever was. Save every iota of trimming, rind, scrap and bone, put them in a pot, cover with water, and simmer covered until every bit of good is gleaned from them. Strain from the makings, and you have a rich stock to serve as a basis for soups, gravies and sauces.

BUILDING A SOUP—To this stock, add the water you've saved from cooking vegetables (they've more flavor and vitamins than water), vegetables, rice, barley, spaghetti, potatoes, or anything else that pleases your palate. If you have leftover vegetables, use them. Just heat them in the soup, and be careful not to overcook any of the vegetables, for they'll be mushy and not so appetizing.

Season to taste, and remember that there are other seasonings besides salt and pepper. A dash of meat sauce, catsup, thyme, the juice of a lemon, onion, and garlic are just a few things that will give personality to soups.

CREAMED SOUPS—From the same stock, you can make any number of delicious cream soups. Thicken the stock with 2 tbsps. flour and 2 tbsps. melted butter or substitute and two cups of milk, plain or diluted evaporated. When thick, add the vegetable waters, about 2 cups, and the cooked vegetables. Mix well and heat to almost boiling and serve in generous portions.

CANNED AND DEHYDRATED SOUPS—For those quick soups that start the meal off successfully or serve as a light meal in themselves, canned soups or dehydrated soups which come in both cans and packages, are the happy answer. Dilute them if called for with vegetable water if you have it. These soups are downright delicious and do a rollicking good job of supplementing that meat or meatless course.

Are You Saving Fat For Uncle Sam?

There Is Desperate Need For Donations

Increased offensive action by Allied forces in Europe and Africa in recent weeks and intensified manufacture of ammunition to supply them were given as reasons for more demand for waste fats and greases in the current salvage campaign, according to R. L. Crane jr., local salvage chairman.

He appealed to all Daly City housewives who have not yet turned in any waste fats and greases to do so at once, also urging those who have already contributed to keep up the effort.

These waste fats and greases from the frying pans are important ingredients in processing for glycerine, used in the manufacture of ammunition and high explosives. Foreign sources of vegetable oils, formerly used, have been cut off with enemy occupation of those countries.

Daly City housewives are directed to take fats and greases from their kitchens to local meat markets. There they will be paid at the rate of 3c a pound for contributions.

Local Man On Board Of Directors

The Board of Directors of the Society for Crippled Children of San Mateo county, met, Monday, February 1, at 7:30 p. m. at Saint Paul's Episcopal church in Burlingame, it was announced today by the society's president, S. D. Merk.

Monday's meeting was the first in the New Year and a number of newly elected directors were present for the first time. These directors, elected at the annual meeting of the society, January 4, included Joseph Sarto, of Daly City.

HOW TO MAKE YOUR MEAT GO FURTHER

Nutrition authorities say that Mrs. American Housewife's job of feeding her family is one of the most important in the war effort. For nourishing food is going a long way toward building strength and morale on the home front.

At the same time, women are being called upon to conserve food as a wartime necessity. This means they must use every ingenuity to eliminate waste and get the most out of the food they buy.

How to make their meat go further seems to be a subject of especial interest, since building meals around this food is an American tradition. So home economics experts have come to the rescue with all sorts of ideas and recipes designed to extend the meat purchase as far as possible.

Here are a few of many practical ideas along this line.

BEEF BRISKET

First meal. Brisket cooked with beans is a delicious dish for the first serving. The beans are soaked overnight and brown sugar, onion and seasonings added, then placed in a covered kettle with brisket on top. Brisket and beans should be covered with water and cooked in

a moderate oven for about three hours.

Second meal. Broiled toastwiches suggested for the second meal, are prepared by slicing left-over brisket and making into sandwiches. The sandwiches are dipped in beaten egg and milk and broiled until brown.

Third meal. The left-over meat from the brisket may be ground and combined with boiled rice and seasonings to make a stuffing for green peppers. These are baked in a hot oven until done—about 45 minutes.

BLADE END OF PORK LOIN

First meal. Blade end of the pork loin is excellent for a roast. The end cut is lower in price than the center cut. Roasting is easy when a few simple rules are followed. The roast should not be covered and no water added. A low temperature saves both meat and fuel. A bread dressing, shaped in balls and placed around the roast half an hour before it is done, will extend the servings. This roast requires 30 minutes per pound.

Second meal. The cold slices of roast pork are delicious heated in barbecue sauce.

Third meal. The trimmings from the roast make a surprise supper dish when combined with cream sauce and served between layers and over the top of biscuits as Pork Short Cake.

LAMB SHOULDER

First meal. A stuffed lamb shoulder is a thrifty roast. The bones may be used to season vegetables or to make soup stock. A tasty stuffing is made for it by combining whole kernel corn, cracker crumbs, seasonings and minced green pepper. The roast is placed on a rack in an open pan and about 40 minutes per pound allowed in a slow oven.

Second meal. For the next night's main dish, combine cubes of cold roast with left-over vegetables and enough gravy to hold together. Place mounds of the mixture on squares of pastry and fold over to make a triangle. Pinch the edges together. Brown in a hot oven. These are called Pasties.

Third meal. The remaining lamb "bits" may be ground and mixed with cooked oatmeal, an egg and seasonings to make Scotch Pancakes for supper or for breakfast.

WAAC HAS OPENINGS FOR MORE OFFICERS

With the expansion of the Women's Auxiliary corps to 150,000 women by March of 1944, a great need has arisen for women to serve as commissioned officers in the WAAC.

The task of directing the work and personnel of the WAAC as its members take over more and more noncombatant jobs becomes the responsibility of women possessing leadership qualities.

Every woman enrolling in the WAAC today has equal chance for officer's training school after she has completed her basic four week training period.

After basic training is completed either at Fort Des Moines, Iowa, Daytona Beach, Florida or Fort Oglethorpe, Georgia, the WAAC selected for officer's training school is sent to Fort Des Moines, Iowa, for eight weeks of officer's candidate school.

Commissioning of women in the WAAC has been set up specifically to give every woman joining the corps equal opportunity for advancement.

Enrollment in San Francisco may be made at U. S. Army Recruiting and Induction headquarters, 444 Market street, telephone YUkon 1935.

ONE Windshield Sticker Is All You Can Display

To Daly City holders of "B" and "C" mileage rationing books for buying gasoline, the War Price and Rationing Board gave firm instructions to display only one sticker on the windshield of their automobile.

And to holders of basic "A" books—well, don't worry—you only have one sticker anyway! But, by all means, display it!

This warning to those motorists with supplemental rationing books was made by the OPA to prevent the misuse of windshield stickers. Only the sticker authorizing the highest amount of gasoline you are allowed to purchase may appear on the windshield.

Those who have "B" and "C" books may present their "A" books, also, when buying gasoline, but to display the "A" windshield sticker is against regulations. Motorists were warned, in addition, to stick the signs firmly to the glass at both the top and bottom of the sticker.

Council To Name Board Of Review

A Board of Review for giving civil service examinations to Daly City employees will likely be selected by the city council at their next meeting, it was announced, this week, by Arthur J. Bodien, president of the City Employees' association.

This board's duties will include giving city employees standard civil service examinations at the intervals required, passing on applications for new employees, and voting on appeals of employees. This board is named by the city council and comprised of three or five members.

Daly City's city employees went on a civil service basis a few weeks ago following a decision by Judge Maxwell McNutt in the San Mateo County Superior court. President Bodien appeared before Judge McNutt on behalf of local municipal employees. The decision terminated seven years of effort on the part of employees to get civil service ratings.

that his wife was sick and he had to get to her. Later questioning resulted in Bionda admitting that he and his wife were separated, and police booked him on a charge of disturbing the peace. Bionda was released on payment of \$25 bail to appear Friday, February 19, at 2 p. m.

ABOUT TOWN

Mrs. Silvio Matteucci, 185 School street, has as her house guests this week, her sister and her sister's daughter from Gilroy, California. Mrs. Matteucci's niece, Miss Kathleen Fravi, has been attending the fashion show in San Francisco in order to purchase dresses for her shop in Gilroy.

New babies made their appearance, recently, at the following local homes: Mr. and Mrs. Harold W. Purser, Daly City, a daughter, January 16, in San Francisco; Mr. and Mrs. Roy C. Sexton, Colma, a daughter, January 22, in San Francisco; Mr. and Mrs. Giovanni Rachioni, Daly City, a daughter, January 20, in San Francisco; Mr. and Mrs. Kendal T. Van Pelt, Daly City, a daughter, January 20, in San Francisco; Mr. and Mrs. Adolph E. Neckritz, 40 Niantic avenue, a son, January 15, in San Francisco; and Mr. and Mrs. Richard E. Negherbon, 37 Parkview avenue, a daughter, January 16, in San Francisco.

Auxiliary Firemen

(Continued from Page 1)

have been trained and drilled until today Daly City has as fine a body of auxiliary firemen as any town could boast of.

The auxiliary firemen are divided up into six companies with two or three regular firemen as sponsors of each company. Following are the volunteers and their sponsors:

Company 7 is sponsored by Captain Kai Petersen, Larry Shaw, and T. Joyce. Auxiliaries are Captain E. Bertelli, Lieutenant R. Van Zant, Secretary G. King, W. Miller, E. Smith, W. Degliantoni, L. Watson, T. Jones, R. Garaventa, R. Crandall.

Company 8 is sponsored by Captain Gus Ford, W. Webb, and Remi Sanders. Auxiliaries are Captain E. Pezzola, L. Ganeba, E. Crumb, E. Rutherford, J. Rassmussen, J. Baccioco, W. Mathews, W. J. Goldkuhl, and F. Michelson.

Company 3 sponsors are Captain Elmer Kennedy, E. Clark, and John Craig. Auxiliaries are Captain E. Ferretti, Lieutenant Roy Allain, J. Janagan, S. Passafiume, T. Regendez, R. Lagomarsino, D. Dean and J. Patton. The latter two have been drafted.

Company 9 is sponsored by Lieutenant Joe Mather, A. Perada, and G. Augustine. Auxiliaries are Captain J. Downie, Lieutenant T. Madrid, Secretary T. Crosthwaite, E. Barazoto, C. Leon, C. Anderson, J. Hendon, R. Whitaker, A. Dixon, A. Sundstrom jr., and E. Martin.

boys, have failed to do this simple, easy, obvious thing to help safeguard their loved ones. Three million pints of blood are critically, urgently needed to be processed and sent to battle, and only a few pints over a million so far have been supplied.

Mrs. Horace Fellows, town chairman in Daly City, for the American Red Cross, announces several changes in the schedule of dates and hours of the Blood Donor Service. The mobile unit comes to San Mateo three times a month and one hundred donors are needed each time. To make it easier still for Daly City people to do their share the Red Cross Motor Corps will provide transportation for donors from here who make appointments in groups of 6 to 8 persons, at the same hour. Call Burlingame 3-4561 to arrange details.

The mobile unit will be stationed at the Julia Beylard hall in San Mateo, at the rear of Mills Memorial hospital, on the following dates: Thursday, February 11, 9 a. m. to 1:20 p. m.; Thursday, February 25, 9 a. m. to 1:20 p. m.; Saturday, March 6, 1 p. m. to 4:40 p. m.; Thursday, March 11, 9 a. m. to 1:20 p. m.; Thursday, March 25, 9 a. m. to 1:20 p. m.; Saturday, April 3, 1 p. m. to 4:40 p. m.; Thursday, April 8, 9 a. m. to 1:20 p. m.; Thursday, April 22, 9 a. m. to 1:20 p. m.; Saturday, May 1, 1 p. m. to 4:40 p. m.; Thursday, May 13, 9 a. m. to 1:20 p. m.; Saturday, May 29, 1 p. m. to 4:40 p. m.; Saturday, June 5, 1 p. m. to 4:40 p. m.; Thursday, June 10, 9 a. m. to 1:20 p. m.; Thursday, June 24, 9 a. m. to 1:20 p. m.

"We need plasma from the Pacific to the Mediterranean," says Dr. Taylor. "We can never have enough of it."

"You sure feel a lot safer wading into the Japs when you know that stuff's around," says Sergeant Richard H. Venn of the Marines on Guadalcanal. "We've seen it work miracles."

James Matteucci, son of Mr. and Mrs. Silvio Matteucci, 185 School street, is attending the Army Air Corps technical school at Sioux Falls, South Dakota.

SPRINGS

The springs of your car do more than merely keep you comfortable when you drive. They absorb the wear and tear from the road that would make short work of your car if allowed to go directly into the frame. That's why it's so important you keep your car springs in top condition. That's why it pays to bring your car in to us.

American women may well be proud of the part they are playing in this nation's war effort. Not content to aid their country through the sacrifice of home ties with husband and sons now in the armed services, daily they are shouldering the load by joining the ranks to relieve the manpower shortage.

To the working women of 1943 we feel the extra service and convenience of a neighborly store such as ours can be a real help. If you haven't, won't you see for yourself what our convenient hours, nearby location and competitive prices can do for you?

At this season of the year the wise housewife takes advantage of our wide selection of Frosted Foods to give her family the variety of healthful foods they desire. All kinds of fruits and vegetables are "in season" the year around when processed the Frosted Foods way. And there's no waste to what you buy; shelled peas and beans, ready-to-cook green vegetables, fresh ripe berries and fruits. They save you time, work, worry and money.

With the cutting out of non-essential services and the boom in war-time production, it's a pretty safe bet that your job today is essential, and your daily work needed to further this nation's war effort.

Then you really cannot afford to waste any potential manpower this country now has by being ill and losing time at your work. Remember, it isn't YOUR time that's lost, it's AMERICA'S.

One of the best health safeguards is proper nutrition—refueling your body by a balanced diet. And for proper dietary balance you'll need certain food elements found chiefly in meat.

While the meat shortage is admittedly bad, at present, you'll find us doing our best to insure your purchases of sufficient quantities of this important food.
